EDISON ELECTRIC INSTITUTE

620.6 E24 v.4

INDEX TO 1936 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 4

General Index

A

"Aboriginal Cost," by H. L. Gruehn, 272

Accidents and Accident Prevention
E.E.I. Medal awards, 58, 182
Plaques awarded by Consolidated Gas, Electric Light and Power Co. of Baltimore, 156
"Resuscitation From Electrical Shock," by Wills Maclachlan, 22
Safety Codes Available, 339
"Your Unseen Helper," 513

Accident Prevention Committee Meetings, 67, 186, 470

Acounting and Office Methods
"Aboriginal Cost," by H. L. Gruehn, 272
"Accounting Future in the Electric Public Utility Industry," by H. D. Anderson, 331
"Analysis and Forecast of Residential Sales and the Effect of Adjusting for Billing Periods," by Henry G. Knaf, 61
"Cost and Economic Value of Accounting Elaborations," by C. E. Kohlhepp, 277
"Fundamentals of Utility Accounting,' by Luther R. Nash, 245
"Merchandising Accounting," by W. H. Swinney, 279
"Public Utility Operating Property Accounting," by E. G. Hery, 335

"Accounting Future in the Electric Public Utility Industry," by H. D. Anderson, 331

"A Coordinated Plan of System Development," by George J. Read, 449

"Advantages of Electric Cookery for Domestic Purposes," by Mayme E. Miller, 423

Advertising and industrial power sales, 441

"Advertising as an Aid to Salesmen," by Paul Renshaw, 45

Agriculture
See Rural Electrification

Air Conditioning
"Air Conditioning Gains in Louisville," by Bert Y. Johnson, 96
"Air Conditioning Promotion in Chicago," by William P. Rock, 172
"An Approach to Air Conditioning Sales," by L. R. Boulware, 117
"Home Cooling by Attic Ventilation," by W. G. Moore, 295
"Our Air Conditioning Market," by C. E. Michel, 115
review of utility's position in air conditioning field, 293
"Selling Air Conditioning in Philadelphia," 95

Air Conditioning Symposium, 28

"American Business Men," by Wendell L. Willkie, 165

"American Enterprise and the Electric Utilities," by Harper Sibley, 206

American Home, continued by General Electric Company, 122

American Institute of Electrical Engineers, Lightning Reference Book, 18

American Standards Association
American Standards for Rotating Electrical Machinery, 196

"Analysis and Forecast of Residential Sales and the Effect of Adjusting for Billing Periods," by Henry G. Knaf, 61

"An Approach to Air Conditioning Sales," by L. R. Boulware, 117

"—— and Incidentally Electric Service," by George M. Gadsby, 319

Appliances, electric, comparison of foreign countries with U. S., 104

Army rations as food cost index, 417

"Argument on the Constitutionality of TVA," by James M. Beck, 6

Ashwander vs. Tennessee Valley Authority, 6

Attic ventilation, 295

B

Belgium, research on wind effect on steel and concrete structures, 474

Better Homes and Gardens
Better Kitchens Contest, 384

Better Light-Better Sight Bureau
Annual Meeting, 340
Letter of G. F. Whitwell on Dinner, 38
new ventures, 179
"One Lighting Campaign After Another—Quota Exceeding Becomes Habit," by Mack Gilbert, 36
Second Anniversary of Better Sight lamps, 401
"Standardized Light Prescribing Technique—Its Possibilities," by Earl L. Canfield, 111

"Bewildered American," by W. C. Mullendore, 371

"Bogies—A Factor in Planned Selling," by C. E. Greenwood, 23

British Comment on the McGowan Report, 358

"Business Development in California," by R. C. McFadden, 132

Byllesby, H. M., Award. *See* Prizes and Prize Papers

C

California, business deelopment, 132

"Campaign to Destroy," by Frank T. Post, 213

Canada, public relations, 87

Canadian Electrical Association Convention, 316

"Case Against Government Monopoly of Electric Power," by Frank A. Newton, 485

"Case Against the Mississippi Valley Authority Bill," by Charles W. Kellogg, 167

Chicago, promotion in air conditioning, 172

"Circulation in Water Tube Boilers," by R. M. Hanson, 385

Coffin, Charles A., Award. *See* Prizes and Prize Papers

"Commercial Men Record New Triumphs and Take Inventory," by C. E. Greenwood, 101

Commercial News Notes, 183

"Commercial Progress Viewed from the Field," by G. W. Allison, 135

Committees
See Specific Committee

Committees, personnel, 1936-1937, 328

Comparison of electric appliances in homes in France, Germany, Japan and U. S. 104

Computation of Zero-Sequence Impedances of Power Lines and Cables, 436

"Continuing Inventories," by H. B. Gear, 275

"Contractor and the Utility," by Earl N. Peak, 109

Convention
See Specific Convention, *also* Edison Electric Institute Convention

Conversion of Other Types of Single Phase Watthour Meters to the Detachable Types, 91

"Coordinated Plan of System Development,' by George J. Read, 449

Correspondence, 38

"Cost and Economic Value of Accounting Elaborations," by C. E. Kohlhepp, 277

"Cost of Electric Service," by N. R. Gibson, 261

"Cost of Generating and Transmitting Wilson Dam Power," by H. S. Bennion, 83

"Current Problems in Rural Electrification," by Dr. E. A. White, 49

Curtis, Augustus D., Award. *See* Prizes and Prize Papers

D

Debate Material
Handbook for high school debates, 489
Institute contributes data, 395
negative side at Purdue University, 485

"Developments in Farm Lines," by A. E. Silver, 309

"Devices for reducing harmonics on power systems," 191

"Domestic Electric Service in 1935," by William M. Carpenter, 81

E

Edison Electric Institute
Contributes data on Government Ownership Debate, 395
Charles W. Kellogg elected President, 199
F. H. Nickerson elected Treasurer, 197
Officers, 1936-1937, 197
Uniform Classification of Accounts for Electric Utilities, 334

Edison Electric Institute Committees
See Specific Committee
Personnel 1936-1937, 328

Edison Electric Institute Convention
Fourth Convention, 197
President's Address, 201
Program, 157
St. Louis attractions, 163
St. Louis Hotels, 138
to be held in St. Louis, 64, 73, 139
Edison Electric Institute Medal
awards, 58, 182
Edison, Thomas Alva, Foundation, 243
Editors view socialistic issue, 496
Electric Appliance Saturation in U. S. Compared with Certain European Countries, 104
Electric Industry Application to F.C.C. for Certain Radio Frequencies, 347
"Electric Light and Power Industry in 1935," by Thomas N. McCarter, 1
"Electric Power for the Farmer," by M. C. Burritt, 481
"Electric Range Market—Today and Tomorrow," by Reese Mills, 123
Electric Refrigerator Sales, 24, 55, 80, 88, 131, 174, 238, 278, 324, 370, 424, 474, 480
Electric service cost, 261
Electric Water Systems Council
"Life in the Country," 78
Running Water Program, 185
Electrical Equipment Committee Meetings, 68, 186, 187, 471
Electrical Housewares Program
"Electrical Housewares Program," by H. P. J. Steinmetz, 184
National Electrical Housekeeping Month, 79
Electrical Refrigerator Sales, household model reference chart, 80
"Electrification in New Zealand," by H. S. Bennion, 19
"Electrification of American Agriculture," by H. E. Dexter, 456
Emergency system operation, 490
Empire State Association Convention, 356, 431
Europe, retail use of electricity, 359
Experience Data for Use in Appraising Low Frequency Inductive Situations, 93
Eyesight conservation, national program, 225

F

Faller, Guy W., elected President Rocky Mountain Electrical Association, 432
Farm Electrification
See also Rural Electrification
"Electric Power for the Farmer," by M. C. Burritt, 481
Farm Electric Service in 1935, 89
Farm lines, developments, 309
Farm wiring, new developments, 306
Federal Communications Commission
application for radio certain frequencies, 347
statement of Herbert W. Eales, 347
statement of E. D. Glatzel, 350
statement of G. H. Underhill, 349
Financing for utilities, present day, 209
"Firm Ratings as a Guide to System Loading and Design," by S. M. Dean, 253
Flood, 1936
Hartford Electric Light Company, 145
Pittsburgh electric power supply, 175
Food cost index, 417
Forbes, B. C., Award. *See* Prizes and Prize Papers
France, national power and resources policy, 409
"Fundamentals of Utility Accounting," by Luther R. Nash, 245

G

General Electric Company continues "New American Home," 122
Germany, national power and resources policy, 412
Government Control of Privately Owned Land, 166
Government Monopoly of Electric Power, Case Against, 485
"Government Ownership: Theory vs. Experience," by C. W. Kellogg, 477
Grid, higher cost, 188

H

Handbooks for High School Debates, 489
"Handy Annie Had a Busy Year," by C. M. Ripley, 341
Hartford Electric Light Company, flood, 145
"Hidden Costs at Muscle Shoals," by William M. Carpenter, 269
High School Debates Handbooks, 489
See also Debate Material
"Home Cooling by Attic Ventilation," by W. G. Moore, 295
"Home Electric Uses Depend on Sales Efforts," by Lewis A. McArthur, 363
Housewares. *See* Electrical Housewares Program
"How Can They Know?" by Adam S. Bennion, 239
Hughes, George A., Award. *See* Prizes and Prize Papers
Hydraulic Power Committee Meeting, 186

I

Ice removal from transmission line conductors, 343
Illuminating Engineering Society
Lamp Campaign, 356
Second Anniversary of Better Sight Lamps, 401
Impulse and 60 Cycle Flashover of Rod Gaps and Insulators, 351
Inductive Coordination Aspects of Rural Electrification, 353
Inductive Coordination, publication, 353
Industrial Power Development, status of, 119
"Industrial Power Sales and Advertising," by William H. Hodge, 441
"Influence of Climate and Rates on Electric Refrigerator Sales," by Warren M. Persons, 459
"Intensified Selling in the Low Income Groups," by C. A. Collier, 125
"Interpretation of 'Power Output' Figures," by William M. Carpenter, 41
Inventories, continuing, 275
Inventory of station equipment, indexing system, 428

J

Joint Electrical Industry Promotion Committee organized, 85
Joint Subcommittee on Development and Research
New York Meeting, 352
Reports, 65, 93, 191, 512

K

"Keep 'Em Sold by Constant Selling," by H. C. Thuerk, 107
Kellogg, Charles W., elected President of Edison Electric Institute, 199
Kitchen Modernizing Bureau
See National Kitchen Modernizing Bureau
Kitchen Contest
Sponsored by Better Homes and Gardens, 384

L

Lamp Campaign, I.E.S., 356
Lighting
See also Better Light-Better Sight Bureau
Lighting Campaign, quota exceeding becomes habit, 36
Lighting voltages, trend, 422
Lindemann, A. L., Award. *See* Prizes and Prize Papers

M

"Market Development," by William H. Hodge, 105
Martin, Thomas W., Award. *See* Prizes and Prize Papers
McGowan Report, British report, 358
"McGowan Report, The," by Alexander Maxwell, 325
McGraw, James H., Award. *See* Prizes and Prize Papers
Meetings and Conventions. *See* Specific Meeting or Convention, *also* Edison Electric Institute Convention
"Merchandise Accounting," by W. H. Swinney, 279
Meters
"A," standard mountings, 182
conversion of other types of single phase watthour meters to the detachable types, 91
"Method for Checking Current Transformer Connections to Multi-Element Watthour Meters by Use of a Portable Cathode Ray Oscillograph," by Wallace C. Rudd, 425
Midwest Power Engineering Conference, 66
"Minute Men for the Industry," by H. C. Thuerk, 415
Mississippi Valley Authority, Government Control of Privately Owned Land, 166
Mississippi Valley Authority Bill, summary of opposition testimony, 167
Missouri Association Convention, 100, 189
"Modernize—Electrify Your Kitchen," by George E. Whitwell, 231

Municipal plant abandonments, 477
Muscle Shoals
See also Tennessee Valley Authority
Hidden Costs, 269

N

National Association of Railroad and Utilities Commissioners 1935 Proceedings, 38
National Better Light-Better Sight Bureau
See Better Light-Better Sight Bureau
"National Coordination in Selling," by C. E. Greenwood, 75
National Electrical Housewares Week, winning exhibits, 52
National Kitchen Modernizing Bureau
Better Kitchens Contest, 384
sales aids for organizations, 76
National Power and Resources Policies in Three European Countries, 409
"National Program for Prevention of Blindness and Conserving of Eyesight," by Lewis H. Carris, 225
National Sales Conference. *See* Sales Conference
"National Sales Programs Create Better Understanding," by G. W. Allison, 283
National University Extension Association Debate Handbook, 433
Nebraska Association Safety Conference, 94
"New American Home" continued by General Electric Company, 122
"New Approaches to the Electrical Market," by C. E. Wilson, 129
New Data on Overhead Lines Under Storm Conditions, 429
"New Developments in Farm Wiring," by E. A. Brand, 306
"New Ventures in Better Light-Better Sight," by Merrill E. Skinner, 179
New York Safety Conference, 66
New Zealand, electrification, 19
"Note on Public Utility Operating Property Accounting,' by E. G. Hery, 335
